Description

The 2026 VX Cruiser HO (High Output), Yamaha’s number one selling personal watercraft globally, comes with the industry's largest capacity 1.9 Litre High Output marine engine, combining with cutting edge technologies and features, to deliver an extremely versatile and affordable package.The large capacity engine delivers quicker and smoother acceleration and higher top-end speed, the theatre-style bolstered seat provides luxury riding comfort for up to three people, while the 2 pull-up cleats make tying up to docks and other watercraft quick and easy.Above the water line the VX deck delivers excellent rider ergonomics and comfort with deep and wide, self-draining footwells and a narrow seat profile. The dashboard comes with a 4.3” Connext multi-colour LCD display with customisable speed and PIN security controls, a multi-mount system for attaching your favourite digital accessories, a user-friendly and water-resistant storage space for packing all your gear and a feature packed glove box with charging ports and LED lighting.Like all VX Series WaveRunners, this craft is compatible with Yamaha's exclusive RecDeck platform, allowing you to connect various JetFish and lounge accessory packages, for more on-water action and versatility.If you are looking for an extreme power and heaps of features in a mid-sized personal watercraft package, then the VX Cruiser HO is the WaveRunner for you.Please Note - Some images may show overseas model colours not available in Australia.
