Year	2026	Category	Aluminium Boats
Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	
Condition	New	State	Queensland
Suburb	WARANA	Engine Make	

Description

Embark on an adventure today in Sea Jay's premium car topper range, the Nomad & Nomad HS.

Our Nomad range has a unique v-nose entry that helps slice through swell and chop while the bottoms flatten out toward the transom allowing greater stability at rest. The smaller models make loading onto a roof rack, camper trailer or caravan effortless due to their flat deck and handles forward off the gunwhales. Not only does this prevent anything catching, but also reduces the risk of damaging both your boat and racking.

Our Nomad HS (75mm higher sides) is also well suited for car topping and very appealing for the estuaries of the Top End.
