Description

We have a range of side console style boat with a model to suit your needs from quietly chasing fish on fresh water dams to models that are perfectly at home on the ocean. For all our Side Console boat models and full details, sizes and options click [here](#) Overview of each model series

Avenger Sports The Avenger Sports, packaged with all the features of the Avenger; however a side or centre console has been added to give this model the sporting edge. This model is available as painted and non-painted, with models 4.48 and up also featuring the NexGen Adrenalin hull incorporating the reverse chine. Avenger Sports R The Raised Sheerline Avenger and Avenger Sports known as the (RS) model is packed with all the standard features of our Avenger series, based on the Adrenalin hull with its reverse chine, the new hull has greater internal volume together with an stylish new eye-catching look.

Ranger Sports Designed to handle all the "TUFF STUFF" the Ranger Sports is well suited for die-hard anglers. Available in 460, 490 & 530 in the Sports (side or centre console) version. With high tensile 5083 Plate 4mm bottom with 50mm capped keel and reverse chines the Ranger Sports has the size and strength to get the job done. With the checkerplate floor and 3 seat positions the deck can be opened up to give you the freedom to move comfortably about your boat as you reel in the big one!

Stealth Built for the avid sports angler, the Stealth offers a great fishing platform with large elevated casting decks with loads of storage space and incorporates the new Fish Deck Transom. A wide body hull with high sides gives a greater internal volume on a stable platform. The Stealth is ideally suited for in-shore bay and estuary fishing and is perfect for freshwater rivers and lakes. From bass to barra fishing and Murray Cod to Mangrove Jack work the Stealth has plenty to offer for a wide variety of applications.

Territory The TERRITORY takes sports fishing options to the next level. Based on the NexGen Adrenalin Hull this exciting new model has options that give a wide range of options for anglers. The larger front casting deck incorporates an anchor well under the deck giving more deck space for lure casting or tossing a cast net. The Ultimate Edge Transom with more ribs for extra strength gives this model the option to handle rougher water while the wide body with reverse chines gives better performance, greater stability and allows better small water access.

Velocity / Velocity Sports The VELOCITY is another model in the SAMURAI HULL line up, with the sleek raised sheer line (swept bow) and reverse chine, this model has all the best qualities Sea Jay is known for. Having 5083 plate bottom, with 50mm capped keel this model proved itself during testing, with increased dead rise and sharper entry this model simply slices through the waves, parting the water like no other. The Velocity has a larger high front cast deck with an abundance of storage within the hatch. The Velocity has two options with regard to the positioning of the sports console, these being a Side Console or Centre Console with the console positioned towards the rear. Available in several lengths, it is certainly a model to look at and take on board the full features as noted.
