Year	2023	Category	Aluminium Boats
Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	
Condition	New	State	Queensland
Suburb	WARANA	Engine Make	

Description

SUPERIOR STRENGTH AND COMMANDING POWERIT’S HERE! The Stessl Coastrunner has been released into the wild and is bigger, stronger and more feature-packed than ever before! A true offshore fishing machine, the Coastrunner also provides you with the protection of a cabin with overnight sleeping quarters. A sweeping transom design incorporating twin boarding platforms and slanting rear wall has created even more room in an already cavernous rear deck, while the over-engineered PlatetriX2 hull system has been modified to provide even greater strength and allow for long-range fuel tanks. A redesigned folding hardtop now provides a handy radio/electronics box, and subtle changes throughout the boat have propelled the Stessl Coastrunner to the front of the pack!A true offshore fishing machine, the Coastrunner Magnum also provides you with the protection of a cabin with overnight sleeping quarters. A sweeping transom design incorporating twin boarding platforms and slanting rear wall has created even more room in an already cavernous rear deck.
