Description

The unique Edgetracker hull design was developed and perfected in small aluminium tinnies by Stessl and it has now been carried through into the larger exciting Edgetracker Tournament range of sport fishing boats. Renowned for the great handling and stability created by the" Edge" pressing design, coupled with the very wide beam and now fitted out as tournament ready, the Stessl Edgetracker Tournament Pro range have a smooth ride in flat and choppy water and there is plenty of room for all your fishing gear and equipment.Renowned for the great handling and stability. Plenty of room for all your fishing gear and equipment.
