Description

Yamaha F2SMHB 2.5 horsepower 4-stroke outboards for sale at Sunshine Coast Yamaha! Yamaha F2.5 Four Stroke Portable Outboard For Sale Small in size, but big in performance, the F2.5, single cylinder, 4 stroke outboard provides an extremely lightweight and portable engine for smaller craft. This versatile and compact unit includes a handy carry handle making moving and installing this engine effortless, while the smart leak-free design allows the engine to be safely and conveniently stored on its front, right or left side. With its new stylish round cowling, improved combustion efficiency and lower emissions output, the F2.5 not only looks great, but delivers Yamaha's legendary reliability, fuel efficiency and smooth running performance. The Yamaha F2.5A is the smallest engine in the Yamaha four stroke range. The F2.5 utilizes a single cylinder, liquid cooled power unit that is extremely compact in its design. The in-built fuel tank means it can go with you on any adventure and its light, easy to carry design makes transporting and fitting this engine a breeze. Specifications:

- Engine Type 4-Stroke, OHV, 1-cylinder
