Description

Yamaha F6SMHA & F6LMHA 6 horsepower 4-stroke outboards for sale at Sunshine Coast Yamaha! Lightweight, compact and economical, Yamaha's single cylinder F6 portable outboard has been designed to be ultra-easy to use and transport. Featuring a specially developed 4 stroke, Overhead Valve (OHV) design, this engine delivers excellent fuel efficiency and smooth running. Attention to detail makes Yamaha small outboards great - delivering a user experience that stands head and shoulders above anything else. Filling a vital horsepower bracket in the Australian market, the all new F6C has been designed to be easy to use and exceptionally smooth running. With a range of exclusive features, increased capacity for greater performance as well as the latest generation cowl design and graphics, the F6C is sure to be a popular addition to Yamaha's current engine line up. For easy transport and mounting the F6C is fitted with an ergonomically designed grasp on the front of the motor and a large carry handle on the rear. The engine also features Yamaha's unique oil leak prevention system which allows the owner to store or transport the engine on either side or its front without leaking engine oil. This means worry free transport in a car boot and hassle free storage. Available in: F6SMHA - Manual Start, Tiller Handle, Transom height - Standard F6LMHA - Manual Start, Tiller Handle, Transom height - Long General Features:
