Description

Yamaha F70LA, F70LA2 & F70XA 70 horsepower 4-stroke outboards for sale at Sunshine Coast Yamaha! The launch of Yamaha's F70 changed customers' expectations of outboards in this category forever. Beating in the heart of the F70 is a unique four-cylinder, 16-valve design activated by a single overhead camshaft. The 4-valves per cylinder valvetrain has dramatically increased this outboard's volumetric efficiency, effectively transferring more air and exhaust at a more efficient rate. This makes the F70 more fuel-efficient, promotes a stronger torque band and makes the F70 lighter than all four-stroke and direct injected two-stroke competitors. The F70's awesome performance offers huge versatility and makes it the perfect power option for a huge range of mid-sized fishing boats and pleasure craft. The 70 horsepower is now available in both traditional Yamaha grey and new pearlescent white colour options, in a long shaft only. Prices do not include fitting or accessories where applicable. Come in and chat to the team at Sunshine Coast Yamaha today for Yamaha outboard prices and to have any of your questions answered. Available in:

- Multifunctional tiller handle (Long shaft & Extra Long Shaft)
- Remote mechanical forward steer (Long shaft & Extra Long Shaft)

Specifications:
