### Description

Yamaha F90LB, F90LB2, F90XB and F90XB2 90 horsepower 4-stroke outboards for sale at Sunshine Coast Yamaha! The next-generation F90 is a direct-evolution of the previous 1.5 litre model, delivering increased fuel-efficiency, reduced-weight and improved performance. Filling an important place in Yamaha's class-leading mid-range line-up, the new F90 delivers the perfect power option for the large number of Aussie built boats that have a maximum hull rating of 90 horsepower. The four-cylinder, 16-valve, SOHC 1.8L marine engine, is not only 10KGs lighter, but an increase in displacement over the previous generation 1.5L engine aids in a richer torque-band. The reduction in weight and improved compactness has been achieved through the adoption of a single overhead camshaft valve-train, delivers smooth and efficient performance only seen in 16-valve, four-cylinder engines of this size. The new F90 delivers a 10% improvement in fuel-efficiency and a significant reduction in noise, through improved engine unit rigidity, muffler redesign and the addition of an intake silencer. The Yamaha F90 is compatible with Yamaha's range of Command-Link gauges, while its NMEA2000 compatibility allows for easy integration with third-party multi-function displays, GPS and fish finders. Prices do not include fitting or accessories where applicable. Come in and chat to the team at Sunshine Coast Yamaha today for Yamaha outboard prices and to have any of your questions answered. Available in:

- Multifunctional tiller handle (Long shaft & Extra Long Shaft)
- Remote mechanical forward steer (Long shaft & Extra Long Shaft)

Specifications:

- Engine Type 4-Stroke, 16 Valve SOHC In-line 4 Cylinder
- Bore x Stroke (mm) 81 X 88.9
- Fuel Tank Capacity (l)
- Displacement (cc) 1832.0
- Recommended Maximum RPM 5000 - 6000
- Fuel Management EFI
- Ignition TCI
- Lubrication System Wet sump
- Alternator Output 12V - 35A with Rectifier Regulator
- Gear Ratio 2.15 : 1
- Starter System Electric
- Operation Method Mechanical Control (Optional Tiller Handle Available)
- Trim and Tilt Method Power Trim & Tilt
- Digital Gauges Optional
- Command Link Gauges Optional
