Description

The 2019 Yamaha WaveRunner VXR is a high-performance personal watercraft designed for speed and agility on the water. With its powerful 1812cc High Output four-stroke engine and lightweight construction, the VXR is capable of anything on the water!The hull design features a deep V shape for improved handling and stability, and the deck layout is optimized for rider comfort and control. The VXR also includes Yamaha's patented RiDE technology, which provides intuitive control and maneuverability with the use of dual throttles. Other features include multiple storage compartments, a digital instrumentation display, and a reboarding step for easy access back onto the watercraft after a swim. The Yamaha WaveRunner VXR is a top choice for riders who demand high performance and precision handling on the water.This pre-loved Waverunner comes with the Genuine Yamaha Waverunner Cover & Redco Sportsman trailer included and only has 64 hours on the clock for \$17,590!!
